Since 1939, the Detroit VAMC has been improving the health of the men and women who have so proudly served our nation. In 1996, the medical center moved from Allen Park, Michigan to the current location in Detroit. The John D. Dingell VAMC located in Detroit, Michigan is one of the newest VA facilities in the country. We consider it our privilege to serve the health care needs of our Veterans. Services are available to more than 330,000 Veterans living in Wayne, Oakland, Macomb, and St. Clair counties. This population represents approximately forty-four percent of the Veteran population in the lower peninsula of Michigan. For more information, visit <http://www.detroit.va.gov>.
